Although the District Commission athough the District Commission-ers feel they cannot grant District government employes half holidays on two Saturdays preceding Christmas, as requested by the Retail Merchants' As-sociation, they are considering granting full holidays on the two Saturdays following Christmas. By giving a holiday on Saturday, December 25, Christmas Day, and Sunday, December 27, the em-ployes will get a three-day period of freedom. The holiday on Saturday, January 2 will go with New Year's Day, and Sun-day, January 3, to make another period of three days liberty. Thus the District employes will get six days vacation at
